of individuals and families with children who are currently entering the homeless assistance system or appearing for the first time on the streets. The description must also include specific housing characteristics linked to instability and an increased risk of homelessness.

(d) *Other special needs.* (1) The State shall estimate, to the extent practicable, the number of persons who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and any other categories the State may specify, and describe their supportive housing needs.

(2) With respect to a State seeking assistance under the HOPWA program, the plan must identify the size and characteristics of the population with HIV/AIDS and their families within the area it will serve.

(e) *Lead-based paint hazards.* The plan must estimate the number of housing units within the State that are occupied by low-income families or moderate-income families that contain lead-based paint hazards, as defined in this part.

§91.310 Housing market analysis.

(a) *General characteristics.* Based on data available to the State, the plan must describe the significant characteristics of the State's housing markets (including such aspects as the supply, demand, and condition and cost of housing).

(b) *Facilities, housing, and services for homeless persons.* The plan must include a brief inventory of facilities and services that meet the needs of homeless persons within the state, particularly chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth.

(1) The inventory of facilities and housing (e.g., emergency shelter, tran-

sitional housing, and permanent supportive housing) must be presented in a form specified by HUD.

(2) The inventory of services must include both services targeted to homeless persons and mainstream services, such as health, mental health, and employment services to the extent those services are used to complement services targeted to homeless persons.

(c) *Special need facilities and services.* The plan must describe, to the extent information is available, the facilities and services that assist persons who are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(d) *Barriers to affordable housing.* The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the State are affected by its policies, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

§91.315 Strategic plan.

(a) *General.* For the categories described in paragraphs (b), (c), (d), (e), and (f) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the state and among different activities and needs.

(2) Describe the rationale for establishing the allocation priorities given to each category of priority needs, particularly among extremely low-income, low-income, and moderate-income households.

(3) Identify any obstacles to meeting underserved needs.

(4) Summarize the priorities and specific objectives the state intends to initiate and/or complete during the time period covered by the strategic plan describing how the proposed distribution
